Dear Sir,

AWARD OF CONTRACT FOR THE CONSTRUCTION OF 1.2KM ROAD AT AIRNGIOBA STREET, OFF IGUN STREET, BENIN CITY, EDO STATE

Following your tender in respect of the above project and our subsequent analysis, I am pleased to convey to you the Commission's approval and the award of the above contract to your company at a fixed price sum of **₦249,905,000.00** (Two Hundred and Forty-Nine Million, Nine Hundred and Five Thousand Naira) only with a completion period of twelve months (12 months), from the date you sign the Contract Agreement.

The award is subject to the following conditions:

- You submit a written Letter of Acceptance to the undersigned within seven (7) days from the date of receipt of this Letter of Award.
- Sign the Contract Agreement with our Directorate of Legal Services.
- The Scope of Works (SOW) to be executed by your company is as detailed in the duly endorsed Bills of Engineering Measurement and Evaluation (BEME) and design drawings, which will be handed over to you after you sign the Contract Agreement.
- Mobilization Advance of 15% of the contract sum may be paid to you (if your company so desires) on application and after submission of an Advance Payment Guarantee (APG) from an acceptable bank, subject to availability of funds.
- Payment will be based on completion of defined milestones through Interim Payment Certificates (IPCs) after due certification by the Director, Project Monitoring and Supervision.
- You are to report to the Director, Edo State Office after you sign the Contract Agreement for a formal site hand-over.
- You are to submit account details consistent with that of your APG (should you opt for it) for the purpose of re-payment, to the Director, Finance and Supply after you sign the Contract Agreement.

Accept our congratulations.

Solar Solutions

P.S.I International Company Limited is a professional renewable energy company dedicated to making clean energy technologies mainstream applications in households, businesses and communities. The company's adeptness is rooted in its ability to harness expert resources in delivering contextually relevant products and professional services. The company is poised to develop into an extensive energy solutions provider driven by practical knowledge and subject matter expertise.

VISION

To be the leading alternative energy provider in West Africa

MISSION

We exist on total dedication and efficient delivery of affordable environmental friendly and sustainable alternative energy solutions tailor made to the unique need of our clientele

VALUE

We strive for excellence in service delivery.

We are committed to maximizing the capacity of our resource while we are creating and sharing value.

We are efficient and effective using the power of innovation to surmount challenges

The Role of Renewable Energy in Nigeria & the Value of the Team

Solar energy projects in advanced and developing countries have demonstrated the consistency and reliability of solar Power as a dependable source of electricity. At the rural areas where these projects will be located, access to sun power is easier than expanding the grid.

SIMILAR JOB EXECUTED

One of the similar jobs executed in the past is Installation of Streetlight on Asaba-Benin Road (Asaba End)

Employer: Federal Ministry of Transportation

ELECTRICAL POWER & DISTRIBUTION

P. S. I. International Company Limited is efficient in the area of Urban and Rural Electrification, is also designed with a drive for efficiency, good quality products and prompt delivery and services to our numerous customers worldwide.

In addition to distribution of transformers, we undertake complete maintenance/repairs of distribution and power transformer.

Among similar jobs executed are:

1. Electrification of Chanchangi Community Takum LGA, Taraba State
(Ref No. REA/PD/CP/2013C17) **Contractor:** Rural Electrification Agency (REA)
2. Supply and installation of 300 KVA transformer at Enugu North Senatorial district, Enugu state (Ref No. SSAP/MDGs/22/2015/S.1/Vol.1/490)
Employer: MDGs State House

PARTNERS & AFFILIATES

P.S.I. International continues to development relationships with quality product manufactures, suppliers and establishments. Through continuous efforts, we are building partnerships to assure you of quality solution and service provision.

TECHNICAL PARTNERSHIP LETTER WITH ASTEVEN GROUPS OF COMPANIES

ASTEVEN
Group of Companies
Your Partner for renewable energy and energy efficiency in Africa

January 10th, 2020.

Renewable Energy and
Carbon Credit Consultants

To:

PSI INTERNATIONAL LIMITED

Dear Sir,

PROPOSAL TO BECOME TECHNICAL PARTNERS WITH PSI INTERNATIONAL LIMITED

The unreliable supply of power from the national – grid in Nigeria, has necessitated the need for a reliable, alternative source of energy to the entire citizenry of the country. The current power generation in Nigeria is between 3,000 Megawatt – 5,000 Megawatt of electricity, which is in deficit of about 100,000 Megawatt to serve 180 million Nigerians and counting.

— **ASTEVEN Group of Companies** was established with head office in Ogun State, our mission is to combat the above reprieve, which is becoming repetitive in most state in Nigeria.

We provide reliable, affordable, clean energy solutions for all, and we have been generating over 3Megawatt electricity for homes, organizations, tertiary institutions including governmental parastatals whom has partnered with ASTEVEN Solar Energy technologies.

On the above note, we wish to provide AS Solar All in One (AIO) standard solar street light solution to any location of choice.

SOLAR STREET LIGHT SOLUTIONS

1. All in One Solar Street Light.

ASTEVEN team will provide data and advice on what capacity of 24 / 7 off-grid solar streetlight recommendation to our prospect.

We will be glad if our team is invited to present All in one solar street light solutions and take assessment information.

— Thanks, in anticipation as we earnestly wait for your favorable response.

Sincerely,

DRSUNNYAKPOYIBO

**OFFER OF AWARD OF CONTRACT FOR THE CONSTRUCTION OF LIBRARY
OFFICES AND MINI-LABORATORIES (LOT 2): 2012, 2015/2016 TETFUND
ANNUAL NORMAL INTERVENTION PROJECT**

Please refer to your tender for the Construction of the above-stated Project.

This is to notify you that the Tenders' Board of the Federal University of Petroleum Resources, Effurun, Delta State, at its 61st meeting held on Tuesday, 16th January, 2017, approved the award of contract for the Construction of Library Offices and Mini-Laboratories to your company at the contract sum of **₦183,500,000.00K (One Hundred and Eighty-Three Million, Five Hundred Thousand Naira)** inclusive of VAT and stamp duty surcharge only, with a contract duration of 6 months.

The award is, however, subject to the following conditions:

1. That you ensure that the entire contract conforms with the contract conditions as provided in the Contract Agreement (Articles and Conditions of Contract, Architectural Designs and Bill of Quantities);
2. That the maximum mobilization fee shall be 15% of the contract sum;
3. That to be eligible for mobilisation fee, your company shall submit an Advance Payment Guarantee (APG) from a Bank acceptable to the University for the full advance mobilisation sum upon execution of the contract agreement.

4. You are also to provide an unconditional and irrevocable Performance Bond acceptable to the University.
5. That the contract be executed within a period of 9 months from the date of the execution of the contract agreement;
6. That the contract shall be a fixed sum contract and shall not be subject to any variations or price fluctuations;
7. That if you exceed the period agreed, the University reserves the right to terminate the contract and/or invoke the relevant clauses of the conditions of contract.

If the conditions stipulated above are acceptable to you, kindly signify your acceptance in writing, and return same to the undersigned immediately upon receipt of this letter.

Accept my congratulations.

RE: APPLICATION FOR 50HA OF FARM LAND AT OBAYANTOR COMMUNAL FARMS

I am directed to refer to your letter of 28th June, 2016 on the foregoing subject and the follow-up letter of 4th August, 2016 requesting that the earlier approval granted Major General (rtd) John I. Edokpayi be transferred to SIMIDIA U.S BRIDGE INTERNATIONAL LIMITED.

2. Arising from the above, I am to inform you that your request has the approbation of the Honourable Commissioner. Consequently, the land area measuring 50ha earlier approved for Major General John I. Edokpayi is now transferred and leased to SIMIDIA U.S. BRIDGE INTERNATIONAL LIMITED.

3. The terms and conditions of the lease are as follows:

 Central Road, G.R.A., P.M.B. 1060, Benin City, Edo State, Nigeria.
www.edostate.gov.ng/agriculture

- i. that the lease is for a period of 10 years in the first instance. It is however renewable.
- ii. that you are only permitted to plant annual crops on the land
- iii. that you are not to sublet the land (part or whole) to a third party.
- iv. that the lease fee per hectare per annum is N10,000(ten thousand naira) and should be paid to the Edo State IGR Account Number 1016161912 (Agric Business and Investment Summit) before commencement of operations.

4. If you accept the above conditions, kindly inform the undersigned within two weeks of receipt of this offer and a formal agreement will be entered into by both parties thereafter.

Thanks.

M. I. Adigie
 For: Honourable Commissioner

<p>GENERAL SUPPLIER CONDITIONS</p> <p>All Local Purchase Order shall be governed by the following general terms and conditions:</p> <p>ACKNOWLEDGEMENT Receipt of Purchase Order shall be acknowledged on the Purchase Order Acceptance Slip by the supplier within three (3) days from the date of delivery of the LPO or shall be deemed receipt.</p> <p>PURCHASE ORDER NO. Purchase Order Number must appear on all invoices, way-bills, packages, dispatch papers and related correspondences.</p> <p>OFFICE ADDRESS This Purchase Order constitutes the entire agreement between the parties and no other terms shall be binding on buyer unless accepted in writing.</p> <p>VARIATION The Corporation reserves the right to make changes in the Purchase Order or any part thereof. If such changes cause a decrease in the supplier's cost or an alteration in the delivery time, an equitable adjustment shall be made. Any variation of the order shall only be binding in writing and signed by an authorized Officer of the Corporation. Oral telephone or telegraphic agreements are not binding unless and until confirmed in writing.</p> <p>SPECIFICATIONS Goods to be delivered under the Order shall comply with description as to specifications, quantity and fitness for the purpose for which they are required, and as specified on the Order.</p> <p>RIGHT TO REJECT The Corporation reserves the right to reject the materials if they do not conform to description as to specification, quantity and fitness for the purpose or with sample where any had been approved by the Corporation. Without prejudice to the Supplier's obligation to deliver the goods on time, the Supplier shall give the Corporation notice in writing immediately any delay is foreseen. Rejected materials shall be removed from the premises of the Corporation by the supplier within the period of seven (7) working days from the date of notification. Rejected materials not removed after this period shall remain at the premises of the Corporation at the contractor's risk.</p> <p>DELIVERY Materials that are subject of this Order must be delivered on the terms of the Purchase Order during normal working hours at the premises of the Corporation or any other place appointed by the Corporation, in the presence of an authorized Company representative.</p> <p>TERMS OF PAYMENT Unless otherwise stated, payment for goods supplied under this Order will not become due until after delivery, due inspection and acceptance of goods by the Corporation. On completion of delivery, contractor's invoices in two copies shall be forwarded to the Head, Materials Management.</p> <p>INVOICES Any extension of time or waiver of some terms of the contracts by the Corporation shall not relieve the supplier in any other respect from the terms of the contracts.</p> <p>WARRANTY Notwithstanding Corporation's inspection or right to inspection and or any other terms and conditions provided in the purchase order, supplier warrants that all goods supplied hereunder are free from any defects in design, materials and workmanship or any circumstances and that they fully conform with the specifications. The Purchase Order is issued in reliance on above-mentioned warranty of the Supplier.</p> <p>DELIVERY PERIOD Time is the essence of this contract. Goods should be delivered, securely packed and in good condition, at the place and within the time specified herein for their delivery.</p> <p>SUB-CONTRACTORS No sub-contracting of the Order will be allowed without the written permission of the Corporation.</p> <p>VALIDITY Validity period of this LPO is from the date the LPO is delivered to the Contractor.</p> <p>LIMITATION Supplier shall be liable for any loss or damage incurred by Corporation due to Supplier's non-compliance with terms and conditions of the Purchase Orders. Supplier shall, however, not be liable for any consequential loss or damage incurred by the Corporation, unless such consequential loss or damage is due to willful failure of supplier.</p> <p>TERMINATION The Corporation may at any time give written notice to Supplier to terminate the Purchase Order forthwith and in such event, the Corporation shall pay and the Supplier shall accept in settlement of all claims under the Purchase Order, such a sum that reasonably compensate the Supplier for all work done and obligations assumed by it in the performance of the Purchase Order prior to its termination. The value of any material paid by the Corporation but left in the hands of Supplier shall be taken into account in calculating the said sum.</p> <p>DEFECTS Supplier shall ensure that the materials / equipment are free from any defect and are in good condition. Any defective materials arising from bad workmanship or manufacture of Supplier's lapses shall be replaced by manufacturer / supplier at no extra cost to the Corporation.</p> <p>INDEMNITY The Supplier shall fully indemnify the Corporation against all actions, claims, demands, charges, losses and costs arising from or incurred by reason of any infringement or alleged infringement of or title, license, patent, registered design, or trademark resulting from the use of the goods of the Corporation.</p> <p>COMPLIANCE WITH STATUTES The Supplier shall in the performance of their contract comply in all respect with the provisions of any Decree, Edicts, Act, Law, Regulation or any other Rules affecting the supplier in the performance of his obligations under this Order. In particular the Supplier shall be responsible for the payment of all taxes, duties, levies, and other similar charges that may be imposed upon this Order or performance thereof by any law or regulation provided that the Company if so required by the said laws or regulations may deduct such taxes, duties or levies from any monies due to the Supplier and forward such to the appropriate authorities.</p> <p>GENERAL NOTE Only those important conditions that are germane to the nature of the purchases contemplated which are contained in this LPO General Conditions, shall be printed as the supply conditions for the particular Order.</p>
